### Important Recommendations

The **toilets**: work with a biodigestors (ecological systems) and the toilet paper destroys and makes its function difficult. Please, deposit it in the trash can.

**Showers**: although are designed to have a nice bath, we recommend saving water avoiding the waste of this precious liquid.

Switch off the air conditioner, fans and lights when leaving the room; this way we will **save energy**. Our planet needs our participation.

Avoid smoking in the rooms as the smell soaks in handicrafts and linen and is very difficult to remove. We have many open areas you can smoke, but ... Para Ti recommends taking care of your health.

If you smoke on the beach, please save cigarette ends, as animals will see them as a food causing death. Always throw them into garbage cans.

Please wrap chewing gum and throw it in the trash because birds take it as food and die.

Plastics, packages, cans, bottles, and all type of garbage, put them in the trash cans.

Avoid consumption of polystyrene and packaging that pollute.

Help us keep our beaches clean!

If you find it easy to get the garbage out of the island it will make a big contribution. We are in a process of educating the community for separating the garbage. As far as it stays here its handling is very difficult.

Following the instructions and recommendations of the World Health Organization (WHO), we have implemented new protocols raising our quality standards of safety, hygiene and health even higher to make you feel as protected and cared for as you do in your own home. These new measures include:

- At the hotel entrance, the luggage and the soles of the guests' shoes will be disinfected, a hotel employee will take the temperature of incoming guests and disinfecting gel and masks will be provided.
- Each room is completely disinfected before your arrival avoiding cross contamination.
- Each room is equipped with a hygiene and disinfection kit.
- The towels and sheets are changed daily and washed in temperatures above 60°F. Take care of them, if there are spots of dye, bitumen, paint or some other product, a penalty will be applied.
- Room hammocks are changed upon each guest departure

Only love begets the wonder

- Used beach towels will be placed in pre-determined receptacles at the pool.
- Hygiene Replacement Stations are situated at various points in the hotel for guests to access sanitizing gel.

### **Pleasures**
